

The background of the image is a composite of a city skyline at night and various digital icons. The city skyline features illuminated buildings and a multi-lane highway with light trails from traffic. Overlaid on this are several glowing white icons: a cloud with an upward arrow, a Wi-Fi symbol, a shopping cart, a group of three people, a laptop, and a cloud with a downward arrow. These icons are connected by thin white lines, suggesting a network or data flow. The overall aesthetic is futuristic and tech-oriented.

Aurora Smart Cities Youth Summit

11.23.2019

The background is a composite image of a city at night, likely London, with a prominent railway station and colorful light trails from trains. Overlaid on this are various digital and technological icons: a cloud with an upward arrow, a Wi-Fi symbol, a shopping cart, a group of three people, a smartphone, and a cloud with a downward arrow. These icons are connected by a network of thin white lines, suggesting a smart city or digital infrastructure theme.
